

**APPENDIX A – STUDENT SYMPTOM CHECKER**

**Working together we can help prevent the spread of disease and limit the days of school missed due to illness.**

During times of potential health risk or modified access, it is important no one enters any WJCC Schools building if they are ill. Please review the following medical issues. If your child answers yes to any, the student should remain home. Please contact your healthcare provider for guidance.

These questions are about your child’s health. If you respond NO to all questions, your child may come to school.

If you respond YES to any questions, he/she may not come to school. Your child should stay home until well and/or cleared by a doctor to return to school.

**Does your child have or have they had any of the following symptoms NOW or in the PAST 14 DAYS?**

Temperature of 100°F or greater	NO	YES
Cough (new issue; more than just occasional or asthma related)	NO	YES
Shortness of breath (new issue, not a diagnosed medical issue)	NO	YES
Not feeling well; shaking/chills; feeling feverish; extreme fatigue	NO	YES
Headache (not just occasional; not a diagnosed medical condition; if accompanied with other symptoms no entry should be considered)	NO	YES
New loss of taste or smell	NO	YES
New onset sore throat	NO	YES
New congestion or runny nose	NO	YES
Muscle pain all over body (new issue, not a diagnosed medical issue)	NO	YES
Vomiting within the last 24 hours	NO	YES
Diarrhea today or within the last 24 hours (new issue, not a diagnosed medical issue)	NO	YES
Close contact with someone who has tested positive for COVID-19 OR presumed positive by a healthcare provider in the last 14 days	NO	YES
